a. Except as may be expressed stated otherwise in the final offer, final quote or other final proposal submitted to Buyer by Seller in writing, by fax or by email ("Final Proposal"), these Terms and Conditions shall apply with respect to the supply of all products and components and parts therefor ("Products") and/or the provision of all services ("Services") by or through any Gast/JUN-AIR Unit ("Seller") to (i) any person or entity to whom these Terms & Conditions are furnished or made available with an offer, quote or proposal submitted by Seller, through Seller's website, or otherwise and (ii) any person or entity affiliated with any person or entity to whom these Terms & Conditions are furnished or made available (collectively, "Buyer"). The Final Proposal and these Terms and Conditions together shall constitute the full, complete and final agreement and understanding between Buyer and Seller with respect to the supply of Products and/or the provision of Services by or through Seller. These Terms and Conditions together with the Final Proposal constitute the "Agreement", provided, however, that to the extent there is any conflict between these Terms and Conditions and the Final Proposal, the provisions of the Final Proposal shall control over the provisions of these Terms and Conditions. All Products supplied and all Services provided by or through Seller will be deemed to be supplied and provided solely upon and subject to the provisions of the Agreement, unless Buyer and Seller have negotiated and signed a separate formal written agreement for the supply of Products and/or the provision of Services that specifically refers to the Agreement and expressly states that it controls over the Agreement (an "Other Agreement"), in which event, if there should be any conflict between such Other Agreement and the Agreement, the provisions

of such Other Agreement will control, but solely with respect to the particular Products supplied and/or the particular Services provided under such Other Agreement.

b. Seller objects to and rejects any provisions of any documentation submitted by or on behalf of Buyer, including but not limited to, any request for proposal, statement of work, purchase order, terms and conditions, release or shipping documents ("Buyer Documentation"), that differ from the provisions of the Agreement. No acknowledgement or acceptance by Seller of any Buyer Documentation shall create an Other Agreement or otherwise constitute acceptance of or agreement to any provisions of any Buyer Documentation that differ from the provisions of the Agreement. Seller's acknowledgment of Buyer Documentation shall merely constitute an acknowledgement of Seller's receipt of such Buyer Documentation and Seller's acceptance of Buyer Documentation shall merely constitute an acknowledgement of the particular Products and/or Services ordered by Buyer, the dates requested by Buyer for shipment or delivery of such Products and/or performance of such Services, the instructions of Buyer for shipment of such Products, and/or the price to be paid for such Products and/or Services, in each case, (i) only to the extent consistent with the provisions of the Agreement and (ii) without constituting acceptance of or agreement to any terms or conditions set forth or referenced in such purchase order that differ from the provisions of the Agreement.

c. The Agreement may be amended, modified or superseded only in a written instrument signed by Buyer and Seller that specifically refers to the Agreement and expressly states that it amends the Agreement.

2. Price and Surcharges

The prices and surcharges for Products and Services shall be the relevant prices and surcharges set forth in or determined in accordance with the Final Proposal. Unless stated otherwise in the Final Proposal, all prices are FCA (Incoterms 2020) Seller's facility, and all prices are net prices to Seller and do not include any freight, shipping, special packaging or handling, insurance, or taxes, levies, duties, tariffs, customs or other fees or charges of any nature imposed by any governmental authority, all of which (including any related withholding) will be the sole responsibility of and be required to be paid by Buyer. In the event Seller pays any freight, shipping, special packaging or handling, insurance, or taxes, levies, duties, tariffs, customs or other fees or charges that are the responsibility of Buyer, Seller may invoice Buyer therefor. Buyer's refusal or inability to accept or take delivery of Products shall not excuse Buyer from making payment for Products.

3. Payment Terms

Seller may invoice Buyer for Products upon shipment, and Seller may invoice Buyer for Services upon performance; provided, however, that (i) if Buyer requests a delay in shipment of Products, Seller may invoice Buyer for such Products prior to shipment, and (ii) if Buyer

Unless provided otherwise in the Final Proposal, all payments must be made to Seller in the same currency as the relevant prices. If payment terms are stated in a Final Proposal, the payment terms for Products and Services shall be the payment terms stated in the Final Proposal. If payment terms are not stated in a Final Proposal, the payment terms for Products and Services shall be net thirty (30) days after date of invoice. Payments by wire transfer shall be made in accordance with the wire transfer instructions set forth in Seller's invoice. Payments by check shall be sent to the payment location specified in Seller's invoice and otherwise be made in accordance with the payment instructions set forth in Seller's invoice. Acceptance of payment by credit card is at the sole discretion of Seller, and, if Buyer pays by credit card, a convenience fee may be charged. Each shipment of Products shall be considered a separate and independent transaction for which Buyer must make payment. If any amount payable to Seller by Buyer is not paid when due, Seller shall be entitled to recover from Buyer all attorneys fees and other costs and expenses it may incur in seeking to collect such past due amount and shall have the right to impose on Buyer a late charge on the past due amount from the date due until paid at the rate of 2% per month or, if less, the highest rate permitted by law. Seller may pursue a collection action against Buyer in any court of competent jurisdiction to collect any past due amount.

4. Security for Payment

If the price for any Products or Services or any other amount payable to Seller by Buyer is not paid when due, Seller shall have and may exercise any and all rights and remedies of a secured party under Applicable Law and any and all other rights and remedies it may have by contract, at law or in equity. In addition to the rights and remedies it may have under Applicable Law or otherwise have by contract, at law or in equity, Seller shall have the right to withhold shipment of Products, to recall and retake Products, to repossess Products, to take possession of Other Products, and to direct Buyer's customers to make payment directly to Seller for Products and Other Products, all without notice to Buyer and without initiating any legal proceedings. Seller shall have the right to execute such documents, make such filings and take such other actions in
